Background information

By virtue of the Legislative Act 20.03.2020 "Urgent measures to address the consequences of the spread of COVID-19 coronavirus, to support the society and entrepreneurship, and to safeguard the smooth operation of the market and public administration", e-prescriptions and Delivery of Pharmaceutical Products to Patients via Courier provide for the operation of e-prescription services so that physical contact between doctors and patients is avoided. An individual may obtain his/her e-prescriptions and medical referrals through the electronic portal <https://www.e-syntagografisi.gr/p-rv/p> using his/her unique Taxisnet code.

(Articles 36, 49, 50, 51 and 53 of the Legislative Act of 20.03.2020)

Content of measure

By virtue of the Legislative Act 20.03.2020 an individual may obtain his/her e-prescriptions and medical referrals through the electronic portal <https://www.e-syntagografisi.gr/p-rv/p> using his/her unique Taxisnet code. Physicians may reissue the prescription upon request of their patients by phone, fax, email or SMS. Patients, or their first- and second-degree relatives or authorized third parties, may acquire the medication from pharmacists by showing the prescription barcode. For the next four (4) months, provided there is still a risk of Covid-19 spreading, medicines can also be delivered by a certified courier company to vulnerable groups and patients who are in isolation.
