Country	Germany, applies nationwide
Time period	Temporary, started on 23 March 2020
Type	Legislation or other statutory regulation
Category	Supporting businesses to stay afloat – Access to finance
Case created	07 April 2020 (updated 22 April 2020)

Background Information

Providing financial support to medium-sized and large companies for investments and working capital. Improved conditions for receiving loans are based on the European Unions „Temporary Framework for State aid measures to support the economy in the current COVID-19 outbreak. Also, this measure is part of the support package to stabilise the German economy and help out firms during the Corona crisis. The package was adopted by the Federal Government at the end of March 2020

Content of measure

If medium-sized or large companies seek syndicate financing for their investments or working capital, KfW bank will bear up to 80% of the risk, but no more than 50% of the total debt. The risk share amounts to at least EUR 25 million. However, it is limited to a certain extent, i.e. 25% of the annual turnover in 2019 or double the wage costs in 2019 or it is not higher than the financing requirements for the next 12 months. This measure is part of the support package to stabilise the German economy and help out firms during the Corona crisis. The package was adopted by the Federal Government at the end of March 2020 and includes several measures easing access to loans and financial assistance for companies of different sizes
