Bank guarantees for SMEs and one person enterprises

Factsheet generated on 07 May 2020, 21:13

Country	Austria, applies nationwide
Time period	Open ended, started on 04 March 2020
Type	Legislation or other statutory regulation
Category	Supporting businesses to stay afloat – Access to finance
Case created	31 March 2020 (updated 06 May 2020)

Background information

On 4 March, following consultation of the social partners, the Austrian government announced to support businesses with bank guarantees to stay afloat. The objective is to ease the financing of business credits for companies, whose revenues and profits have been affected due to the stop of orders, deliveries or other changes of the economic environment, as a consequence of the Corona crisis. A newly simplified and speedy process for the acceptance of these guarantees has been implemented.

Content of measure

The measure is targeted at small and medium sized companies and one -person enterprises (less than 250 employees, max. €50 million turnover or €43 million balance sheet sum); operating in all sectors (whereby for tourism, a separate package has been set up, which is administered by a different institution. See related case 'State support for tourism' (AT-2020-10/215). The guarantee supports 80% of a short term 'bridging' loan, the duration of which cannot exceed 5 years.

The company can request this support via their own bank, a decision will be taken by the public support company AWS (Austrian economic service).

As of 7 April 2020, the AWS bridging guarantee was significantly expanded with immediate effect as part of

the government's €15 billion aid fund. The immediately implemented innovations include a 100% guarantee rate for loans up to €500,000 and a 90% guarantee rate for loan amounts up to €27.7 million.
