Hungary: Right to disconnect

[Go to list page](#)

Hungary

Phase:

Anticipation

Type:

Right to disconnect

Last modified: 07 February, 2022

Native name: -

English name: -

Description

-

Comments

In Hungary, the R2D or issues related to this right have not been raised during the current crisis by either the social partners or governments, no guidelines have been issued, nor has a new dialogue started on possibly regulating R2D. Trade unions are relatively concerned about the high share of unpaid overtime and broader labour rights issues. Research indicates that the occurrence of (unpaid) work outside of working hours using digital tools is not uncommon.

Cost covered by

Not applicable

Involved actors other than national government

National government only

Thresholds

No, applicable in all circumstances
