Content of measure

The region has set up an emergency fund of approximately 233 million euro to aid the sectors and companies that have been struck the directly because of the virus and/or the associated measures.

For companies that are eligible and are forced to close due to the crisis there is a single tax-free payment of €5000 available to support them.

In addition there is also a lower payment available of €2500 for companies that notice a significant reduction in revenue because of the situation.

In addition there are also guarantees available through the regional government and loans of up to €200 000.

Use of measure

In total approximately 48 890 small businesses are eligible (small and in the proper sector) for the single payment of €5000 due to closure.

In addition approximately 6015 companies are able to make use of the compensation of €2500 because of a significant reduction activity/revenue.
