Background information

The government in the context of the emergency measures, with the art. 5 of 11 March 2020 Legislative Act (Government Gazette A' 55) as amended by art. 24 of the 14 March 2020 Legislative Act (Government Gazette A' 64) in conjunction with circulars of Ministry of Interior no 108/oik.7874/2020 and 109/oik.8000 of the Ministry of Interior, introduced changes in the provision of public sector labour in order to address the consequences of the dispersion of COVID-19.

Content of measure

Civil servants, employees in the local government authorities and employees in all legal entities of public interest independently of the type of their employment relationship and in the event of an emergency situation, during the operation of a public service should be suspended or restricted, then the competent Minister (or the person in charge) has the authority to determine the number of employees who must be present at the service on a daily basis, with the option of shift work or with the appointment of exceptional security personnel. In this case, the necessary measures are taken in order to ensure, depending on the nature of the nature of the service, the possibility of remote provision of work using electronic means.
