Content of measure

The region has set up an emergency fund of approximately 233 million euro to aid the sectors and companies that have been directly impacted by the Corona virus and/or associated measures.

Eligible companies that are forced to close due to the crisis can avail of a single tax-free payment of €5000 to support them.

In addition, a lower amount, €2500, is available for companies that notice a significant reduction in revenue because of the situation.

In addition there are also guarantees available through the regional government and loans of up to €200 000.

The Walloon regional government provides financial support for small companies (less than 50 employees) in certain sectors that are facing cashflow problems due to the Corona virus. The measure provides a direct financial contribution to companies that are forced to close due to the Corona virus or the associated measures. The financial support is also provided to companies that experience a significant decrease in

revenue due to the Corona virus or related measures.

The following sectors are eligible :

Washing and polishing of motor vehicles

Retail

Other passenger land transport

Accommodation

Eating and drinking establishments

Other activities of specialised designers

Rental and leasing of tents

Rental and leasing of crockery, glassware, kitchen utensils, tableware, electric household appliances and other household utensils
