Background information

The Ministry of Development and Investment issued a Ministerial Decision on 10 April 2020, in order to provide interest rate subsidy of performed business loans, for 3 months (April, May, June), for the sectors of the economy that are directly affected by COVID-19 pandemic.

According to this decision, the considered businesses include players active in the tourism, transport, catering, media and entertainment sectors as well as craft-type enterprises and retail businesses. This list will be updated regularly.

Content of measure

The measure provides companies with an interest rate subsidy of the performed loans as per 31 December 2019. Eligible businesses are the ones that have been financially affected during the COVID-19 pandemic, or which saw their operations suspended under a State decision, provided that, at least, the same number of employees is retained from 19 March 2020 to 31 December 2020.

Banks have already announced that repayment of loan principal for performing as at 31 December 2019 will be deferred until 30 September 2020. This measure may be extended for further 2 months, if deemed necessary. The package of measures amounts to a total of €3.8 billion, drawing €2 billion from the State budget and an additional €1,8 billion from the Special Purpose European Fund set up to deal with the COVID-19 exceptional circumstance.
