Background Information

Art. 13 of the Law Decree no. 23 of 8 April 2020 introduces a credit guarantee and other measures for SMEs hit by the Covid-19 epidemic to support their operations. The temporary rules for the credit guarantee include free provision of the guarantee and higher thresholds in terms of amount and number of employees, in respect to the regular measures. This initiative is part of the various measures designed by the government to address the economic and employment impacts of the Covid-19 epidemic.

Content of measure

The main provisions allow SMEs to obtain a credit guarantee until 31 December 2020 at more advantageous conditions than those ordinarily envisaged by the special credit guarantee fund for SMEs. In particular, the temporary measures include: 1) a free credit guarantee; 2) the maximum amount of the credit guarantee for each individual enterprise is raised to EUR 5 million; 3) the credit guarantee is accessible for enterprises with up to 499 employees; 4) the guarantee can cover up to 90% of the credit; 5) the maximum amount of the credit guarantee cannot exceed 25% of the beneficiary's 2019 turnover; the double of the beneficiary's annual wage bill in 2019; the working capital and investment expenses for the following 18 months for SMEs and 12 months for enterprises with up to 499 employees.
