Suspension of interest payments from tourist companies for loans from the EMPRENDETUR program

Factsheet generated on 01 May 2020, 19:36

Country	Spain, applies nationwide
Time period	Open ended, started on 31 March 2020
Type	Legislation or other statutory regulation
Category	Supporting businesses to stay afloat – Deferral of payments
Case created	15 April 2020 (updated 30 April 2020)

Background information

It is necessary to continue supporting companies in the tourism sector. The COVID-19 crisis has led to the total paralysis of the tourism sector: from the limitation to the free movement of people and the limitations on national and international connectivity to destinations, to the closure of tourist establishments, including accommodation, restaurants and other value chain companies.

In order to ensure the liquidity and, therefore, the viability of the tourist companies, the payment of interest and amortizations corresponding to the loans granted by the Secretary of State for Tourism in the framework of the Emprendetur R + D + i Program, the Emprendetur Young Entrepreneurs Program and the Emprendetur Internationalization Program.

Content of measure

Interest payments and amortizations corresponding to loans granted by the Secretary of State for Tourism are suspended without prior request and for a period of one year. This measure only applies to those companies (irrespective of size, activity etc.) that asked for these loans.

Consequently, the payments for interest and amortizations of the referred loans that should be made by the borrowers as of the entry into force of this royal decree-law, will be due on the same date of the year

following the one that appears in the resolution. of granting the loan, without implying the accrual of additional interest.
