Factsheet for case IT-2020-12/452

Urgent measures for the protection of the period of active surveillance of workers

Factsheet generated on 29 April 2020, 12:49

Country	Italy, applies nationwide
Time period	Open ended, started on 17 March 2020
Type	Legislation or other statutory regulation
Category	Income protection beyond short-time work – Paid sick leave
Case created	10 April 2020 (updated 29 April 2020)

Background information

Decree Law No. 18/2020 of 17 March 2020 (art. 26) sets that the period spent in quarantine with active surveillance by workers in the private sector, is equalized to sickness for what concerns its economic treatment, but cannot be calculated within the maximum number of leave days for sickness. For workers in the public sector, the period spent in quarantine with active surveillance is equalized to hospitalization by Decree Law No. 9/2020 of 2 March 2020 (art. 19).

Content of measure

Decree Law No. 18/2020 of 17 March 2020 (art. 26) sets that the period spent in quarantine with active surveillance by workers in the private sector is equalized to sickness for what concerns its economic treatment, but cannot be calculated within the maximum number of leave days for sickness (i.e. the maximum number of days a worker can stay home for sickness without losing his/her). The costs for this measure are financed by the State and not by the National Social Security Institute or the employers. For workers in the public sector, the period spent in quarantine with active surveillance is equalized to hospitalization by Decree Law No. 9/2020 of 2 March 2020 (art. 19).
